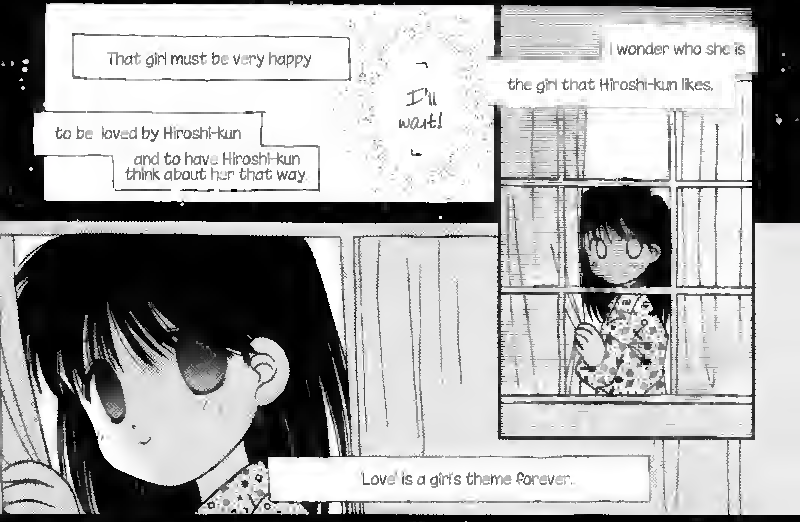
I can't stop admiring ——

Someone that loves only one person for years

and then fate brings them together at last ——

Someday, I wish I can meet my fated guy ——

And experience that kind of dramatic love story myself ——



That girl must be very happy
to be loved by Hiroshi-kun
and to have Hiroshi-kun think about her that way
I'll wait!
I wonder who she is
the girl that Hiroshi-kun likes.
